Design assistance and custom fabrication is available for any portable power installation. J Custom Supply, Inc. can supply Jumpers, Tails, Retractable Cords, Rack-mount Panels or Enclosures with Square-D Breakers, Camlok Receptacles and Hubble Twist Lock Receptacles. Wires and connectors rated to 1135 amperes, wire sizes to 777 MCC.

Our large inventory allows us the fastest delivery time possible. We can normally offer complete cable assemblies of what others would pay for just the components.

Let us show you how we can save you money and down time with our custom welding leads and quality connectors. We offer custom made cable assemblies from high quality components to ensure dependable service.
