Stage Pin Cables

Our custom Stage Pin Cables provide years of safe, dependable service. Many are still in service after 25 years of continuous use, with little or no maintenance.

All JCSI Stage Pin Cables are designed and assembled to the customer's specifications using industry standard Marincó (Bates/Group 5) Stage Pin Connectors.

Stage Pin Cables are available in three series: 20 Amp, 60 Amp and 100 Amp. Custom adaptor cables can be designed for you to match cam connectors, stage pins and twist-lock receptacles.

Stage Pin Cables for Serious Power– Shown here is a *Group 5* 100 amp male Stage Pin used in a 3 wire set with No. 2 portable power cable. This set is a male to female jumper banded every 30 inches. Stage Pin Cables can be made to any length (50' shown). Stage Pins plugs are in stock in 20 amp, 60 amp, and 100 amp sizes.
