

Weathertight CLS[®] Series

CLM[®] Series

CLS Series

CAM-TYPE CONNECTORS

NEMA 3R and 4 rated, CSA and cUS listed 400A/600V #6 to 4.0 cable-ready for highest rain performance.

The new CLS Series connectors are fast and easy to assemble and disassemble with simple hand tools. CLS Series connectors mate with all cam type devices and meet all current standards for locking type connectors.

CLM Series

MINI CAM-TYPE CONNECTORS

Built to the same exacting manufacturing standards as the CLS Series, the CLM Series is rated to 150A/600V and accepts #8 to #2 cable.
